To what extent do you think did this specific AI generated story idea affect the story you have submitted?

(Please answer truthfully: your truthful answer will help us with our research. Your answer will NOT affect your payment.)

Three friends embark on a thrilling adventure in the unexplored depths of the Amazon rainforest in search of a legendary ancient city. Battling unpredictable weather, dangerous wildlife, and treacherous terrains, they uncover hidden tribal mysteries and ancient secrets. Their friendship and courage are tested to the limits as they face life-threatening challenges, leading to a climax that changes their lives forever.
